

# HOPE KINDERGARTEN

*Help Children  
Experience  
Hope through  
Education*

## OVERVIEW

The West Bank and Gaza, with 43% of the population under the age of 15, is an area ravaged by political turmoil, widespread poverty, food shortages and infrastructure destruction. These factors make it difficult for families to find quality education for their children. Seeds of Hope brings this quality education in a nurturing atmosphere to the children of Jericho.

## EXPECTED LIFE CHANGE RESULTS

Support of \$888.00/student/year will have this impact on a child:

- Understand, speak and write basic English
- Prepared for advanced English that will be taught in upper grades
- Development of positive character qualities such as working with others and being kind to their neighbors
- Improved learning confidence and expanded worldview
